

Building REST APIs with Spring Boot

Dan Vega (He/Him)
Spring Developer Advocate - VMware
2/16/2022

Agenda

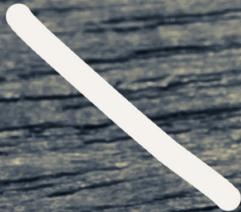

- Introduction
- APIs
- REST
- Live Coding (Stand back!)
- Resources
- <https://github.com/danvega/building-rest-apis-spring-boot>

About Me

- Husband & Father
- Software Developer for 20+ years
- Spring Developer Advocate
- Content Creator (www.danvega.dev)
 - Blogger
 - YouTuber
 - Course Creator
- Cleveland

DESIGN

Deeper Dive

- What is REST - <https://restfulapi.net/>
- Spring HATEOS - <https://spring.io/projects/spring-hateoas>
- Spring Data REST - <https://spring.io/projects/spring-data-rest>
- Documenting APIs with [Swagger](#) / [Spring REST Docs](#)
- [Learn Java 17 with IntelliJ IDEA \(Mala Gupta\)](#)
- Calling APIs using [RestTemplate](#) or [WebClient](#)

Thank You
